

## COLLABORATION SPACE – THE SKILLS EXCHANGE

### WHY COLLABORATION SPACE – THE SKILLS EXCHANGE

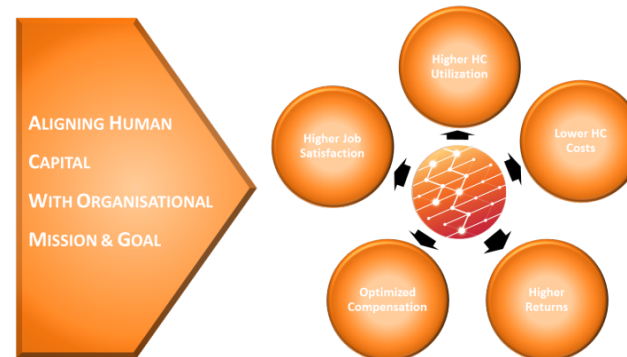

It is a skill exchange platform designed for the industry in consultation with the industry to meet changing ways of working.

- ✚ Is Secure, Confidential & Discreet
- ✚ Costs a fraction of the traditional methods of skill acquisition
- ✚ Is a trustworthy source of validated and curated skill
- ✚ Is fast, agile and aligned to industry needs
- ✚ Eliminates dependence on expensive intermediaries

- ✚ Helps organisations achieve alignment of human capital with its mission and goals; provides significant social benefits

### WHAT DO I GET?

A platform that enables alignment of your human capital with organisational mission & goal.

### WHAT VALUE COLLABORATION SPACE WILL DELIVER?

Collaboration Space shall:

- ✚ Generate A Silent Revenue Stream
  - Monetise your un/ under-utilised skills
  - Generate revenues without any sales efforts
- ✚ Significantly Reduce Costs
  - Reduce spend on jobsites, databases & third parties
  - Reduce overall skill acquisition cost
- ✚ Meet Human Capital needs
  - Just-in-time resourcing with almost zero lead-time-to-hire
  - Use outplacement to avoid firing altogether
  - Achieve zero bench

- ✚ Access to validated & curated skills faster and better

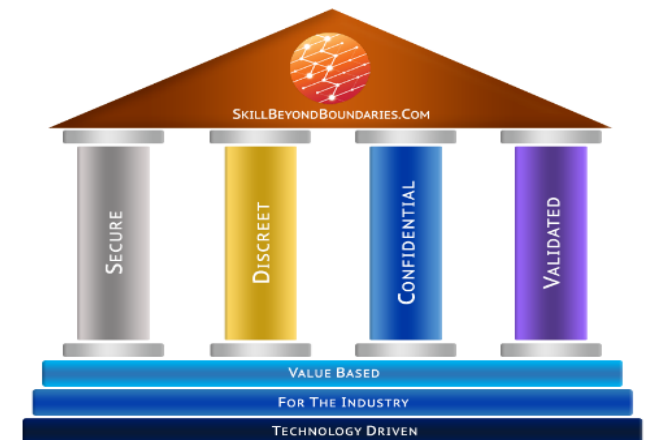

### HOW DO WE DO IT?

The SBB platform is membership based and an organisation needs to be a business, charity, not-for-profit-organisation or any entity that is not in the business of acting as a recruitment agency.

---

*Companies are realizing that the key to unlocking speed, adaptability and agility lies in utilizing the talent they already have to their fullest potential*

---

Built on the pillars of Security, Discretion and Confidentiality, the platform is designed to collaborate for Validated skills/ talent.

## UNVEILING SKILL BEYOND BOUNDARIES

Registered in Chennai, Skill Beyond Boundaries (India) Pvt. Ltd. (SBB) is creating an impact in the most valuable asset of your business, your Human Capital.

SBB has conceived and developed the <https://SkillBeyondBoundaries.com> platform that is designed to deliver a much-needed change in the space of Human Capital Management.

The platform is designed to be Secure, Confidential and Discreet to enable its members to collaborate internally as well as with other members on the platform for talent for commercial, social, and financial gains while eliminating the dependence on intermediaries thus blurring the boundaries on how talent is confined within the organisation as well as between companies across the industry.

## WHAT WE DO

SBB provides a B2B exchange to collaborate for Human Capital between companies, across industry and within an organisation or group.

The two key modules of the platform are:

### 1. Skills Exchange (Collaboration Space)

- Exchange talent with other companies
- Collaborate for talent strategies
- Leverage talent information for decision making

### 2. Internal Talent Management (ITM) Toolkit

- Identify your available talent
- Manage your key talent
- Collaborate for talent within the organisation and/ or Group

3.

### Limited time "0" fee offer for NASSCOM members\*

- Complete access to the ITM toolkit
- Limited access to the Skills Exchange
- Training and support
- Access to discounted Collaboration Credits
- Access to new functionality releases
